

CASE 02

The Glasshouse Cipher

A botanical puzzle case

A storm has silenced the glasshouse controls. Before the night keeper can reopen the seed vault, its six-digit backup code must be reconstructed from the gardener's notes. Follow the path, restore the benches and check the old ledgers. Every clue is on the page.

Print at actual size. A pen and paper are all you need. Keep the separate hint and answer guide closed until you want a nudge.

EVIDENCE 01

The Gardener's Route

A pencil route has survived on the glasshouse plan. The gardener wrote one letter in each square.

	1	2	3	4
A	S	L	A	M
B	E	V	N	R
C	T	E	I	O
D	P	N	C	H

Start at A1. Read that letter, then move DOWN, RIGHT, DOWN, DOWN. Read the letter after every move. The five letters spell a number. Write its digit.
